

Keynote by Lauren Roman

Speaker, Singer & Actress

Our special guest this year is Speaker, Singer and Actress Lauren Roman, who brings an entertaining, dynamic and powerful personal message. She became a successful actress at just 19, starring in shows like the ABC soap All My Children and the iconic Buffy the Vampire Slayer. But Lauren's most dramatic experiences were offscreen, including a teen pregnancy and a life-changing encounter with a Pregnancy Center. You won't want to miss this enlightening and inspiring evening!
