Join Sav-A-Life Shelby at our Annual Banquet benefiting the Women First Pregnancy Center, serving all of Shelby County, Alabama. Our theme for the Banquet is "Ready.Set.Life.-Saving Lives One Person At A Time", and will take place on Tuesday September 12, 2023, 7:00pm-9:00pm at Pelham Civic Complex, 500 Amphitheater Road, Pelham, AL 35124. Our Guest Speaker is James Spann who is the Chief Meteorologist for ABC 33/40 nightly in Birmingham, Alabama and has been since 1996. He has been a weather anchor for 45 years after starting his career at WCFT in Tuscaloosa.

James has received numerous awards including an Emmy Award from the National Academy of Television Arts and Sciences. He was recognized for live coverage of the deadly tornado which hit Tuscaloosa on December 16, 2000. His work during that horrible storm also helped ABC 33/40 earn a prestigious national Edward R. Murrow award for spot news coverage.

James is the author of two books. One entitled, "Weathering Life" about his experiences living in the South, the lives that formed his early years and learning about the weather. He wrote his most recent book as a result of living through the April 25-28, 2011 tornado outbreak entitled, "All You Can Do Is Pray".

James and his wife Karen have been married for 41 years, and they have two adult children. He currently serves as Children's Worship Leader at Double Oak Community Church-Mt Laurel in Birmingham, Alabama. He enjoys amateur radio as his hobby and hosts the WeatherBrains podcast each week. Visit his Website at alabamawx.com

Emceeding the night's festivities will be Revocation Radio 97.7fm on-air personality Jon Walden. Revocation Radio is the only station on terrestrial radio broadcasting a specific mix of Christian Rock and Hip-Hop. Hip-Hop music is so prevalent and influential in today's society and culture that we believe it is imperative to broadcast a Christian alternative with life-breathing messages and unparalleled quality, not only in lyrics, but also in production.
